

Private Functions at the Seacoast Science Center

“Spectacular! Breathtaking! Fantastic!”

Let us help you plan your next event.

Situated on the ocean's edge, within historic Odiorne Point State Park, the Seacoast Science Center provides a unique and memorable setting for weddings, reunions, anniversaries, commemorative celebrations, or any important event in your life. From the fun and games of a family picnic to a formal dining experience, the Center is sure to surpass your expectations. Knowing that your rental supports the Seacoast Science Center's outstanding educational experiences makes your event meaningful and memorable.

We offer three distinctly different settings.

Sugden House and Exhibit Galleries

The historic Sugden House is one of the seacoast's favorite meeting and presentation venues. Its stone walls and extensive lighting options create a warm and comfortable atmosphere. The Sugden House is complete with a kitchenette, seating for 100 theater-style or up to 72 at tables, ample presentation technologies, wireless internet access and a stone fireplace.

Function Tent

Our 3,200 sq. ft. function tent (available May-October) offers unsurpassed coastal views. The tent is complete with electrical power, lighting, a full floor, and sheltering sidewalls. It accommodates 200 people at tables; add-on rental tents are available.

Gregg Interactive Learning Studio

The Gregg Studio is our modern meeting venue, packed with user-friendly, high definition presentation and video-conferencing equipment. Three in-studio cameras afford a unique perspective for recording and projecting your event. The 1,300 sq. ft. studio can accommodate up to 75 guests.
