

# Seacoast Science Center Wish List

## Wish List Donations to the Seacoast Science Center

The Seacoast Science Center is the leading resource for informal marine environmental sciences in the region. We provide exceptional learning experiences through dynamic and innovative programs and exhibits. The supplies for maintaining our exhibits, delivering our programs, and operating our business are many. With the support of our valued members, donors, sponsors and volunteers we can continue to thrive. Please help us by donating items (new or gently used) or by funding one or more of the items that are listed below. All contributions are tax deductible. Thank you.

### Gift Cards

A gift card to stores such as Pet Quarters, Petco, Michaels, Home Depot, Lowes, Office Depot, Staples, BJ's Wholesale Club, Wal-Mart or Target will help us to purchase much needed supplies; any amount is appreciated!
